This slate, presented in writing to all member households prior to the Annual Meeting, shall be voted on at the Annual Meeting or in the form of a survey mailing to the membership. 3.2 At each election for officers, every eligible household shall have a maximum of two votes.

3.3 A majority vote of the Association will elect an officer. Any dissenting vote must be presented either in person or absentee. Any household member not presenting his vote at the Annual Meeting or by returning the survey mailing will be considered as a positive vote for the Slate of Officers as presented by the Board of Directors.

3.4 All vacancies on the Board of Directors shall be filled by appointments by the Board of Directors.

Article IV – Meetings

4.1 The Board of Directors shall meet periodically, but at least quarterly, and at any other time called by the President. Each Board member receives one vote. A majority of those present must be obtained to carry a motion.

4.3 Matters of concern to an individual member shall be submitted to the Board in writing. At the discretion of the President, the Board may then meet with that member and discuss the problem. If the Board does not act to the satisfaction of the member, he/she may petition for a meeting of the Association by obtaining 10% of the members' signatures. It shall be the duty of the President to call a meeting of the Association. All decisions

approved by a majority of the Association shall be binding upon the Association and Board.

Article V – Dues

- 5.1 The annual dues of the Association shall be a predetermined fee per household and shall be due and payable by March 31 of each year. New homeowners will be provided a complimentary Association membership during the year they purchase a home in our neighborhood, regardless of move-in date.
- 5.2 In some instances, it may become necessary to levy special assessments. This may be done by a majority vote of the Association in good standing either by proxy or attendance vote at a general meeting or in the form of a survey mailing to the membership. Any vote not presented by a household member will be considered a positive vote. An explanation of the special assessment and notification of the meeting will be given in writing at least two weeks in advance or published as an article in the neighborhood newsletter.

- 6.3 Changes to the By-Laws shall be reviewed and approved by the Board prior to submitting to the Association members for approval via a special mailing or via an article in the neighborhood newsletter. Approval is determined by receiving a majority vote by members of the Association. A lack of response is counted as a vote in favor of the proposed changes.

Article VII – Amendments

- 7.1 These By-Laws may be amended only after the recommendation of a By-Laws Committee (or by the Board of Directors) and by a two-thirds (2/3) majority vote of Association members either present at the meeting at which time the vote occurs, or having voted by proxy, or by survey mailing to the membership.
